### **Public Comment Protocol**

The question period of this Town Hall meeting is set aside for the public to address the City Council and Applicant on any item of business related to item #2 or any other subject brought up by Council or Staff. For this meeting the following protocol will be followed:

- a. Manner to address Council. State your name, address, and group affiliation (if any) and speak clearly into the microphone.
- b. Time limit on public remarks. Persons granted permission to speak shall limit their comments to three (3) minutes speaking time unless the Presiding Officer grants additional time. Please try not to repeat previous questions and or concerns. The Presiding Officer can limit the total time allocated for public input on a subject.
- c. Public comment to be germane. Public comments must be directed to the subject under consideration. The Presiding Officer shall rule on the germaneness of public comments. The Presiding Officer has the authority to regulate irrelevant debate and disruptive behavior that may cause the meeting to drag on interminably or deny others the opportunity to voice their opinion. Engaging in such conduct, and failing to cease such conduct upon request of the Presiding Officer, will be grounds for ending a speaker's time at the podium or, at the direction of the Presiding Officer, for removal of any disruptive person from the meeting room.

- d. Applause. The Presiding Officer can determine individuals to be out of order for applauding public comments. Applause for public comment is discouraged as it may discourage individuals with opposing views from speaking.
- e. Matters not on the agenda. The Council may, in its discretion, allow citizens who wish to raise a matter not on the agenda and who have not filed a request, to address the Council at the end of the regular agenda. If action is required by Council, the item will be placed on a future agenda.
