

WASTE INDUSTRIES

IMPORTANT NOTICE - PLEASE READ CAREFULLY

EFFECTIVE IMMEDIATELY, **glass will no longer be accepted in our recycling program.** Waste Industries delivers your recyclables to several third party processing facilities in the area. The recent downturn in the value of materials, combined with complications in processing, have made it necessary for those processing facilities to demand the removal of all glass from the recycling stream. Please support us as we strive to sustain this important program. Listed on the back of this card is an updated list of acceptable materials.

◀ **LIST OF ACCEPTABLE MATERIALS**

ACCEPTABLE MATERIALS FOR RECYCLING

Plastic Containers

Includes all CLEANED plastic bottles and jars #1 thru #7: soft drink bottles, milk jugs, detergent bottles, etc. Check the bottom of the container. If you see the recycling symbol with a #1, 2, 3, 4, 5, 6, or 7 in the center, it is acceptable.

Metal Containers

Includes aluminum cans, pie and baking pans, tin cans, steel food containers, EMPTY aerosol cans, and clean lids. Metal beverage cans, baking tins, and food containers are also included in this material category; however, FOIL is not.

Plastic/Paper Bags

Includes brown paper bags, plastic grocery bags, and dry cleaning bags. These materials are also accepted in several retail establishments including Target, Publix, and Kroger.

Cardboard Boxes

Includes shipping boxes, cereal and food boxes, shoe boxes, tissue boxes, moving boxes, detergent boxes, soda/beer cartons, and paper towel/toilet tissue rolls.

Books, Paper, & Mail

Includes newspapers, inserts, magazines, telephone books, catalogs, paperback books, manila folders, letterhead, notebook paper, computer paper, envelopes, coupon books, index cards, calendars, CARBONLESS forms, and brochures.
