

Fayetteville's City Center Park spray pad will be open on Memorial Day

Fayetteville, Georgia – May 18, 2023 – The increasingly popular City Center Park spray pad, which is normally closed on Mondays, will be open for the entire Memorial Day weekend, to include Monday, May 29.

Normally, the City's Public Works Department performs spray pad routine maintenance on Mondays, and then it is open for use Tuesdays through Sundays. Accommodating the Memorial Day holiday, the spray pad instead will be closed that Tuesday, May 30, for the weekly routine maintenance.
