

Fayetteville City Hall hosts collection box for Andrew's Fun & Helpful Community's Summer Stock-Up

Fayetteville, Georgia – May 18, 2023 – The food drive box is filling up at Fayetteville City Hall as city employees and others have been participating in Andrew's Fun & Helpful Community's annual Summer Stock-Up event.

Every year, Fayetteville resident Andrew Fleming, with the help of his brother Brycen and the rest of the family, have collected non-perishable food items around the community, and they have delivered them to the Fayette Samaritan's headquarters located just north of the city on the Fayetteville Christian Church campus. This year, the Fleming Family has set up collection points at Fayetteville City Hall, Fayette County Public Library, and Tyrone Public Library, which will be active until Thursday, June 1.

Of course, donations may also be made directly to Fayette Samaritans year-round. This non-profit organization has been serving Fayette County residents in need for more than two decades. Those interested may learn more at www.FayetteSamaritans.org.
