

### **ADVERTISEMENT FOR BIDS**

The City of Fayetteville will accept sealed bids from qualified Contractors for furnishing all labor, equipment, materials and other things necessary to complete the **2016 Storm Drain Lining Project**.

Bids will be received at the City of Fayetteville, 240 South Glynn Street, Fayetteville, Georgia 30214 until 2:00 PM local time, on Thursday, April 28th, 2016, at which time the bids will be opened and read aloud. Bidding documents may be obtained from the City of Fayetteville Finance Department. Contact Ms. Danielle Ballard at 770-461-6029 for the bid package or questions regarding bid procedures. Bid packages cost \$50 per set for a hard copy and \$25 per set for an electronic copy.

The 2016 Storm Drain Lining Project will include all labor, equipment, materials and other necessary items to line approximately 2,700 linear feet of corrugated metal pipe of varying diameters from 18-inches to 72-inches in 7 systems located throughout the City of Fayetteville. The liner shall consist of centrifugally cast concrete meeting the specifications outlined in the technical specifications of this document.

Questions of a technical nature should be submitted in writing to design engineer, Mr. Richard Greuel, P.E. at Integrated Science & Engineering via e-mail: [RGreuel@intse.com](mailto:RGreuel@intse.com). The final date for any questions or clarifications should be no later than April 19th, 2015.
